

Questions to ask at the WAGGGS booths

- ? **Why does WAGGGS openly advocate for sexual rights for youth on their website?**
- ? **Why did WAGGGS scrub their website and remove the text revealing that they promoted abortion at the United Nations?**
WAGGGS' website stated that youth demanded abortion, contraception, emergency contraception and comprehensive sexuality education from governments. The word "abortion" was scrubbed from this report, but it doesn't change the fact that WAGGGS supported these demands.
- ? **If GSUSA leaves sexuality to a girl's family, why does WAGGGS have a campaign to encourage girls to talk about graphic sexual issues?**
- ? **WAGGGS says they represent 10 million girls (including GSUSA members). When they lobby for abortion and sexual rights, does this mean they are representing you in these advocacy efforts?**
- ? **Why does WAGGGS train girls to become advocates for abortion and sexual rights for youth at the United Nations?** Quoting from the Journeys Girl Scouts USA book *Your Voice, Your World*, page 40: "The WAGGGS UN team at the United Nations in New York works closely with the Girl Scouts of the USA."
- ? **Why is GSUSA now saying that American Girl Scouts are not members of WAGGGS when their GSUSA Leader Magazine on the official GSUSA website states, "Girl Scouts of the USA, and every member of it, automatically belongs to the World Association of Girl Guides and Girl Scouts (WAGGGS)"?** Girl Scouts of the USA is a founding member of WAGGGS, and the largest funder of WAGGGS. GSUSA provides millions of dollars to WAGGGS to fund their advocacy efforts and agenda. According to Sandy Thomas, GSUSA Vice President of Global Scouting Overseas, each girl and adult member's \$12 registration fee to GSUSA initiates a quota to be paid by GSUSA to WAGGGS annually. Your contributions and hard work on World Thinking Day also help fund WAGGGS.

To WAGGGS, or not to WAGGGS?

Is that the question?

You're a member of WAGGGS!

We changed our minds!

You're a sister to every Girl Scout!

Not anymore, you're not!

You're part of 10 million Girl Scouts worldwide!

SHUT... UP.

Then why do we wear the WAGGGS pin?

Because we give them over \$1.4 million a year!

So, we're just supposed to send girls out to smile and sell over-priced cookies?

Yeah, we need cash so we can write more Journeys, sell more \$tuff and host more United Nations events!

And while you're at it, bring up those MEMBERSHIP NUMBERS, slackers! WAGGGS needs more money, too!

Current Issues:

- **Girl Scouts of Colorado Council:** Released a statement that a 7-year-old boy can join the Girl Scouts because they are open to transgender lifestyles, although the boy is really just a cross-dresser. ARE YOU COMFORTABLE having boys join your troop on overnights and campouts just because they like to wear long hair and girls' clothing?
- **Girl Scouts Councils across the USA:** A new, FAQ (Frequently Asked Questions) page has been posted on websites across the country DENYING THE FACT that EVERY REGISTERED GIRL SCOUT is a member of the international organization, WAGGGS (World Association of Girl Guides and **Girl Scouts**). If you have been a Girl Scout member for a while, don't you find this an odd turn of events? *What is GSUSA trying to keep you from knowing?*

Have we gotten your attention?
